

U.F.O. TRADING CARDS SET #1

Writer Gale Roanoake has made an in-depth study of UFOs throughout history, and has developed what may be the definitive roundup of sightings, types of space ships and personalities associated with "flying saucers." She has teamed up with veteran aerospace illustrator and comics artist E. Silas Smith to create cards ranging from Area 51 to ancient Egypt! The fifty full-color cards are packaged as a deluxe box set.
